11) WHAT PROCEDURES ARE BEING APPLIED WHEN RETURNING THE VEHICLE?

You should return the Vehicle to the Europcar station, at the latest, on the date and at the time shown on the Rental Agreement.

a) Return of the Vehicle during opening hours of Europcar's station

You may return the Vehicle to another Europcar station for the cost mentioned on the Recommended Tariff List, Annex 2, attached to your confirmation e-mail if you made the reservation through distance means. This document may also be consulted on spot in stations and/or on Europcar website.

The Hire Period will end when You return the Vehicle to the Europcar station and hand the Vehicle keys and the registration documents to a Europcar agent or its representative.

Any return of the Vehicle at an earliest stage than the date and time mentioned on the Rental Agreement shall not give rise to any reimbursement

When You do return the Vehicle to Europcar You must take the opportunity to inspect the Vehicle together with the Europcar agent or its representative and countersign a Vehicle restitution damage report.

On your request Europcar shall give You a signed document where Europcar declares that the Vehicle was regularly returned to Europcar.

Europcar cannot be held liable for eventual property and/or objects You may have forgotten in the Vehicle, unless You can prove that the

b) "Out-of-hours" return Service

Europcar recommends returning the Vehicle during opening hours of its stations. However, to meet the specific needs of some of its clients, Europcar offers, in certain stations, an additional "out-of-hours" service. You can find the Europcar 24h stations and stations with extended opening hours.

If You opt for this "out of hours" service, Europcar is entitled to draw a Vehicle condition report without your presence and after the drop off the keys.

In particular, You are to declare any incident and/or Damage that affects the conditions of the Vehicle on the document that you can find in the vehicle documents folder in the glove box of the vehicle.

Depending on the available systems and the information that You will have received from Europcar, this document must be leaved into the Vehicle or returned with the keys in the "keys drop off box" provided for that effect.

Please note that your Rental Agreement does not automatically ends when You drop off the keys: the Vehicle will remain on the parking space where You will have parked it until opening of the Europcar station that will proceed to the inspection of the Vehicle and close your Rental Agreement. Therefore, Europcar reminds you that you must park the Vehicle on an area provided for that purpose and in a manner so that the Vehicle is not a danger to others or hamper traffic as aimed by the Highway Code. The vehicle documents remain in the glove box of the vehicle. Providing that the Vehicle is inspected at a later stage – during opening hours of the station – Europcar recommends You to take photographs of the Vehicle in order to keep evidences of the date and state of return of the Vehicle once it is parked and before the drop off of the keys.

Once the inspection is made and in case of a damage, Europcar will inform you about this.

Europcar cannot be held liable for eventual property and/or objects You may have forgotten in the Vehicle, unless You can prove that the

property and/or objects were missed in the area of responsibility of Europcar.

c) Return of the Vehicle without your presence and during opening hours of Europcar's stations.

If you are unable and/or refuse to inspect the Vehicle together with the Europcar agent or its representative, Europcar is authorized to inspect the Vehicle itself without your presence and to register your refusal of a contradictory inventory.

The same Procedure as the one described above will be applied (See 11°-b)).

d) Late return of the Vehicle

In the event that the Vehicle is not returned on the date shown on the Rental Agreement, and if You do not inform Europcar immediately about the delay in its return, Europcar shall regard the Vehicle as having been unlawfully appropriated and will be entitled to report this to the competent local authorities. In that case, the Europcar has the right to apply the self-help institute and, without the Renter's prior consent, independently and without delay take possession of the Vehicle. In order to take possession of the Vehicle, Europcar has the right to hire third parties, legal entities and individuals. All costs of hiring third parties are borne by the Renter, so Europcar will re-invoice these costs to the Renter. When taking over the vehicle, a record will be made that will be signed by 3 representatives of the Europcar. The record will state the condition of the vehicle, as well as the movable items found in the vehicle, with their photos, about which Europcar will inform the Renter without delay, in order for the Renter to come to the Europcar's premises and take over found items. If the Renter does not take over found items within 10 days from the date of receipt of the Europcar's notification, Europcar is not obliged to keep those things further and has the right to destroy them. The Renter agrees that the report made unilaterally by the Europcar will be a valid proof of the condition of the vehicle and all other circumstances related to the return of the rented vehicle, even though that report was made unilaterally by the Europcar, bearing in mind that the record was made unilaterally because the Renter has not fulfilled his contractual obligation to return the rented vehicle.

In such case Europcar will be entitled to charge You an additional day for each rental day at the

rental tariff in effect; unless You can demonstrate that You have no longer the disposal of the Vehicle through no fault of your own or that the non-restitution of the Vehicle resulted through no fault of Your own; and claim to You all the damages and losses suffered by Europcar and all the fines, tolls, penalties or sanctions that falls on the Vehicle as a result of demands issued to it by public administrations for the purpose of identifying the perpetrator or clarifying other circumstances relating to a breach or criminal offence.

Europcar will also be entitled to start legal proceedings in order to claim the immediate return of the Vehicle. In such case, protections and additional contractual services would have no effect.

12) DAMAGES TO THE VEHICLE

In case of differences between the state of the Vehicle as described upon check out and the one identified upon return, You may pay the amount as defined below if you or the driver have caused the damage culpably.

a) Damages identified upon return of the Vehicle and in your presence

If some damages are identified upon return of the Vehicle when the inspection made, in your presence and in the presence of the Europcar agent or its representative, and if You acknowledge the damages by signing the statement of return of the Vehicle, the following provisions apply depending on the extent of the damage:

- Light Damage, minor insubstantial damage caused to the Vehicle without altering its delivery to the rental and permitting its movement in accordance with the provisions of the Highway Code (such as, for instance, without being exhaustive: light impacts on windshield and missing parts) are charged according to the Recommended Europcar damage price list (available in any Europcar station and on our website).
- Any other damage not included in the above mentioned Recommended price list and/or other more Serious Damage (substantial Damage impairing the delivery of the Vehicle rentals and requiring its temporary immobilization for repair such as, for instance, without being exhaustive: damages

bodywork) will be evaluated by an independent expert and charged according to the expert's report or a cost estimation made with an independent auto-repair garage.

If You contest Damages and their invoicing by refusing to sign the statement of return of the Vehicle, Europcar will apply the procedure described below (see article 12)-b).

b) Damages identified in case of an out-of hours return and without your presence.

If Damages are identified during the inspection of the Vehicle by a Europcar Agent or its representative without your presence, Europcar will send to you the following documents:

- statement of return of the Vehicle describing all
- Damages identified
- pictures of Damages
- An estimate (quote) of the costs of repair that will vary depending of the nature of the Damage (see above, article 12)-a) paragraph 2) and administration fees for the treatment of the Damage and the Vehicle immobilization.

You will be able to challenge Damages identified and their invoicing within 14 days after the sending (by e-mail or regular letter) of the documents.

If You fail challenging or justifying within the above mentioned period of 14 days, Europcar reserves the right to invoice You the cost of repair identified if you or the renter have caused the damage culpably.

Europcar reserves the right to exclude Renter and/or Driver if they have caused an extraordinary number of damages.

c) Damages identified after the vehicle return

Europcar has a right to perform the subsequent vehicle inspection, after car is returned to the station, which includes all the mechanical parts of the vehicle, without the presence of the Customer/Renter, as the mechanical functionality of the vehicle can be inspected only while driving the vehicle. 22) ARE THE VEHICLES EQUIPPED WITH A TRACKER?

Vehicles of the category Luxury "L" (e.g. Audi A6, BMW 5er MB – E Class), Full size "F,G" (e.g. BMX3, MB GLC, Audi Q5, MB GLE), Special "X" (e.g. MB GLS, Porsche Cayenne, Porsche Macan, Porsche Boxter, Porsche Panamera) and other Selection vehicles can be equipped with a technology that makes it possible to determine the vehicles position. Europcar reserves the right to equip additional Vehicle categories with a tracker. In case you will rent such an equipped vehicle you must separately give your prior written consent

that Europcar can collect, store and use the GPS coordinates and speed measurements.

23) WHAT IS MY LIABILITY IN CASE OF A DAMAGE?

a. The renter is liable for repair costs for accident damage, loss, theft or improper operation of the vehicle or impairment of contractual obligations according to clauses 2, 6 and 14 of these conditions, in case of a write-off for the replacement value of the vehicle less the residual value. The renter is also liable for any consequential damage, particularly reduced value, towing costs, fees for technical experts and a fee for administration costs. The renter is not liable if neither the renter nor the driver is responsible for the damage.

b. If an exemption of liability is agreed against payment of an additional sum, then Europcar exempts the renter for damage to the rental vehicle in accordance with the principles of vehicle damage (collision) insurance based on the relevant valid sample conditions of the AK (general conditions for vehicle insurance in Montenegro) with subsequent deductible excess plus a cost lump sum of EUR 29,50. The liability exemption covers accident damage, i.e. through an incident acting suddenly from outside with mechanical force; brake damage, operational damage and pure fracture damage do not count as accident damage. The exemption of liability does not therefore cover in particular damage, which occurs due to improper treatment and/or operation, for example through incorrect gear changing or filling the wrong fuel, or though loaded goods. The deductible excess for each damage is depending from the Vehicle category (for driver younger than 26 years the deductible is at least EUR 1200,00):

ACRISS CODES	Deductible excess charge *with VAT
MDMR, ECMR, EDMR, EDAR	726
CCMR, CDMR, CDAR, CGMR, CGAR, CTAR	968
IDAR, DDAR, IGAH, IGAR	1.089
SGAR, RGBR, SFAD, RFAD	1.452
LVAD	1.815
PFBD, FFBD	2.178
WFBD	2.662

A list of the deductible excess applicable for the relevant vehicle is available at the place of conclusion of the contract. These deductible excesses only apply when no different individual agreement has been made.

c. The exemption of liability does not release the renter from the contractual obligations under clauses 2, 6, 14 of these conditions. The renter is fully liable in case of intentional infringement of the contractual obligations, particularly for damage, which occurs due to an unauthorized driver (clause 2) or due to a forbidden use (clause 6). If the renter has intentionally fled the scene of an accident or infringed obligations under clause 14, the renter is also fully liable, unless the infringement has no effect on the assessment of the damage incident. In case of grossly negligent infringement of a contractual obligation, the renter is liable in the proportion of the extent of the fault of the renter. The renter is also fully liable for intentionally caused damage. If damage is caused through gross negligence, liability is in proportion to the fault of the renter.

d. If cover for fire and theft is concluded, the renter is liable particularly for damage to glass, damage caused by game animals, fire and the elements with a deductible excess of EUR 160,00 per claim plus a cost lump sum of EUR 29,50. The renter is expressly entitled, regarding the cost lump sum, to demonstrate that there has been no cost or considerably less than the lump sum.

e. In other cases, the statutory regulations apply.

f. Europcar will charge Damage administration any damage no matter which level of insurance has been purchased by the Customer (fee amount is in the table below).

24) LIMITATION

If an accident has been recorded by the police, compensation claims by Europcar against the renter will only be due after Europcar has had the opportunity to inspect the investigation file. The period of limitation begins at the latest six months after return of the vehicle. In case files are to be inspected, Europcar will notify the renter without delay of the date of inspecting the file.

25) LIABILITY OF EUROPCAR

Any liability of Europcar due to the infringement of their contractually regulated duties is restricted to cases of intention or gross negligence, including intention or gross negligence of representatives and employees. Europcar is only liable in cases of slight negligence for injury to life, body or health, for infringement of essential contractual duties and for compulsory liability under the terms of the product liability law.
